

# Denali National Park and Preserve Environmental Screening Form

**PCR Number**                      Sample12000

**Project Name**                      Test Project

**Project Description**              This proposed project is a test of the data base.

**Project Location**                The project is located in the park.

*Mandatory Criteria (A-N). Would the proposal, if implemented:*

	<b>Y/N</b>	<b>Data Needed to Determine</b>
<b>A. Have a significant adverse effect on public health or safety?</b>	<input type="checkbox"/> Yes	<input type="checkbox"/> Data Needed to analyse this concern.
<b>B. Have adverse effects on such unique characteristics as historic or cultural resources; park, recreation, or refuge lands; wilderness areas; wild and scenic rivers; sole or principal drinking water aquifers; prime farm lands; wetlands; floodplains; or ecologically significant or critical areas, including those listed in the National Register of Natural Landmarks?</b>	<input type="checkbox"/> Yes	<input type="checkbox"/> Data Needed.
<b>C. Have highly controversial environmental effects?</b>	<input type="checkbox"/> Yes	<input type="checkbox"/> Data Needed.
<b>D. Have highly uncertain and potentially significant environmental effects or involve unique or unknown environmental risks?</b>	<input type="checkbox"/> No	<input type="text"/>
<b>E. Establish a precedent for future action or represent a decision in principle about future actions with potentially significant environmental effects?</b>	<input type="checkbox"/> No	<input type="text"/>
<b>F. Be directly related to other actions with individually insignificant, but cumulatively significant, environmental effects?</b>	<input type="checkbox"/> No	<input type="text"/>
<b>G. Have adverse effects on properties listed or eligible for listing on the National Register of Historic Places?</b>	<input type="checkbox"/> No	<input type="text"/>
<b>H. Have adverse effects on species listed or proposed to be listed on the List of Endangered or Threatened Species, or have adverse effects on designated Critical Habitat for these species?</b>	<input type="checkbox"/> No	<input type="text"/>
<b>I. Require compliance with Executive Order 11988 (Floodplain Management), Executive Order 11990 (Protection of Wetlands), or the Fish and Wildlife Coordination Act?</b>	<input type="checkbox"/> Yes	<input type="checkbox"/> Data Needed.
<b>J. Threaten to violate a federal, state, local, or tribal law or requirement imposed for the protection of the environment?</b>	<input type="checkbox"/> No	<input type="text"/>
<b>K. Require a permit from a federal, state, or local agency to proceed, unless the agency from which the permit is required agrees that the CE is appropriate?</b>	<input type="checkbox"/> No	<input type="text"/>
<b>L. Have the potential for significant impact as indicated by a federal, state, or local agency or Indian Tribe?</b>	<input type="checkbox"/> No	<input type="text"/>

M. Have the potential to be controversial regardless of its impacts?

No

N. Have the Potential to violate the NPS Organic Act by impairing park resources and values?

No

*Tailor the following to meet individual park unit/project needs. Are any measurable impacts possible in the following categories relating to physical, natural or cultural resources?*

	Y/N	Data Needed to Determine
A. Geological resources—soils, bedrock, streambeds, etc.	Yes	Data Needed. <input type="text"/>
B. From geological hazards	No	<input type="text"/>
C. Air quality, traffic, or noise	No	<input type="text"/>
D. Water quality or quantity	No	<input type="text"/>
E. Streamflow characteristics	No	<input type="text"/>
F. Marine or estuarine resources	No	<input type="text"/>
G. Floodplains or wetlands	No	<input type="text"/>
H. Land use, including occupancy, income, values, ownership, type of use	No	<input type="text"/>
I. Rare or unusual vegetation—old growth timber, riparian, alpine, etc.	Yes	Data Needed. <input type="text"/>
J. Species of special concern (plant or animal; state or federal listed or proposed for listing) or their habitat	No	<input type="text"/>
K. Unique ecosystems, biosphere reserves, World Heritage sites	No	<input type="text"/>
L. Unique or important wildlife or wildlife habitat	No	<input type="text"/>
M. Unique or important fish or fish habitat	No	<input type="text"/>
N. Introduce or promote non-native species (plant or animal)	No	<input type="text"/>
O. Recreation resources, including supply, demand, visitation, activities, etc.	No	<input type="text"/>
P. Visitor experience, aesthetic resources	No	<input type="text"/>
Q. Cultural resources, cultural landscape, sacred sites, etc.	No	<input type="text"/>
R. Socioeconomic, including employment, occupation, income changes, tax base, infrastructure, etc.	No	<input type="text"/>
S. Minority and low-income populations, ethnography, size, migration patterns, etc.	No	<input type="text"/>
T. Energy resources	No	<input type="text"/>
U. Other agency or tribal land use plans or policies	<input type="text"/>	<input type="text"/>
V. Resource, including energy, conservation potential	No	<input type="text"/>
W. Urban quality, gateway communities, etc.	No	<input type="text"/>
X. Long-term management of resources or land/resource productivity	No	<input type="text"/>
Y. Other important environmental resources	No	<input type="text"/>

*Please answer the following questions.*

1. Are the personnel preparing this form familiar with the site, and/or has a site visit been conducted? (Attach additional pages noting when site visit took place, staff meetings, etc.)

Park staff is familiar with the project site and a site visit was conducted on January 10, 2000. The site visit included Pete Smith, Jenny Jones, and Mike Wright.

**2. Has consulted with all affected agencies or tribes been completed? (Attach additional pages detailing the consultation, including the name, date, and summary of comments from other agency or tribal contacts.)**

Consultation has been completed. The USFWS and National Marine Fisheries Service were contacted concerning endangered Species.

### ***Instructions***

***When you have completed a site visit (or if staff are familiar with the specifics of the site) and consultation with affected agencies and/or tribes, and if the answers in the checklist are all "no," you may proceed to the categorical exclusion form (appendix 2) if the action is described in section 3-4 of NPS-12. If any answers in the checklist are "yes" or "data needed to be determined," or if the action is not described in section 3-4, prepare an environmental assessment or environmental impact statement.***

***Attach maps, notes of site visits, agency consultation, relevant data or reports, the categorical exclusion form or other relevant information to this form to begin the statutory/administrative record file.***

### ***Signatory***

***In signing this form, you are saying you have completed a site visit or are familiar with the specifics of the site, that you have consulted with affected agencies and tribes, and that the answers to the questions posed in the checklist are, to the best of your knowledge, correct.***

# ***Denali National Park and Preserve***

## ***Categorical Exclusion Form***

---

***Project:*** Test Project

***Date:*** 1/30/01

***Describe the project, including location (reference the attached Environmental Screening Form (ESF), if appropriate):***

This proposed project is a test of the data base.

***Describe the category used to exclude action from further NEPA analysis and indicate the number of the category (see section of NPS-12):***

A.3. Reissuance/renewal of permits, rights-of-way or easements not involving new environmental impacts.

***Describe any public or agency involvement effort conducted (reference the attached ESF):***

Consultation has been completed. The USFWS and National Marine Fisheries Service were contacted concerning endangered Species.

***On the Basis of the environmental impact information in the statutory compliance file, with which I am familiar, I am categorically excluding the described project from further NEPA analysis. No exceptional circumstances (i.e., all boxes in the ESF are marked "no") or conditions on section 3-6 apply, and the action is fully described in section 3-4 of NPS-12.***
